The Litter Catch from The Refined Feline helps control stray litter as cats exit the litter box cabinet.

Attach rubber feet (included) to bottom corners of litter catch to resist sliding.

To empty, place litter catch over litter pan at an angle then turn trap door underneath catch.

About The Refined Feline

The Refined Feline's mission is to bring modern, innovative designs to cat furniture. We strive to reinvent how people view the products that they and their feline companions use in their shared space. All our cat trees, cat wall shelves, cat beds, and litter box furniture are thoughtfully crafted to be the best they can be for you, your home, and your cats. Our team of dedicated cat lovers believes that cat furniture should be embraced and admired as an integral part of your home, just like your cat.

Our cat furniture is about much more than just looking great in your home though; functionality is just as important. Our multipurpose and customizable cat furniture features replaceable parts so that you can always keep it looking fresh. We knew that cat furniture could be better, so we raised the standards. As we say at The Refined Feline: Love Your Cat. Love Your Home.
